

# INSTITUTIONS IN NORTH MACEDONIA: KEY CHALLENGES OF THE BRANCHES OF GOVERNMENT

THERE IS A LACK OF INTER-INSTITUTIONAL COMMUNICATION AND COOPERATION, WHICH IS NEGATIVELY AFFECTED BY PARTISANSHIP IN THE PUBLIC SECTOR.

THE SERVICES OF THE INSTITUTIONS ARE NOT ADEQUATE NOR PROPORTIONAL TO WHAT THE CITIZENS EXPECT AND DESERVE.

THE SHORTCOMINGS IN THE JUDICIARY SYSTEM SUCH AS UNTRUSTWORTHY AND UNPROFESSIONAL STAFF AND THE POOR WORK OF JUDGES CONTRIBUTE TO THE MISTRUST IN THE JUDICIARY.

THE UNTIMELY UPDATING OF THE INFORMATION AND NOT FOLLOWING THE MODERN WAYS OF INFORMING INDICATE THE UNWILLINGNESS OF THE INSTITUTIONS AND THE MUNICIPALITIES TO ADAPT TO THE MODERN METHODS OF COMMUNICATION.

GREATER TRANSPARENCY REGARDING THE WORK OF THE INSTITUTIONS, AS WELL AS AN INCREASED LEVEL OF MONITORING OF THEIR WORK.
