

## SUMMARY OF THE PROJECT:

# Joint Action for Human Rights

### PROJECT OBJECTIVE:

To advance the promotion and protection of human rights in North Macedonia by supporting parliamentary and CSO engagement in the area.

- Providing structured monitoring and contribution for human rights commitments by Assembly and CSOs;
- Increasing and building professional capacities of the main Assembly bodies and key CSOs dealing with various human rights, jointly in consultations with the key executive institutions;
- Raising awareness among public policy makers, assembly, CSOs and citizens of the importance of protecting human rights, in line with national, European and international obligations.

### RESULTS AND ACTIVITIES:

- ✓ Analytical reports on pertinent human rights topics;
- ✓ Re-granting scheme for national and local CSOs;
- ✓ Input and recommendations for the 2024 UPR;
- ✓ Capacity building for CSOs, parliamentary staff and MPs;
- ✓ Two parliamentary oversight discussions on human rights;
- ✓ International conference on the role of the Parliaments in promoting human rights.
