Reform
Monitor

Reform Agenda Snapshot

(up to June '25)

**North
Macedonia**

Total Semester
Funding Potential:
€140.1M*

Key Achievements:

RGF operational requirements fulfilled

Monitoring Committee
establishment pending
(first meeting: 2 July 2025)

First in region to access pre-financing

EUR 52.4 million
(7% of total EUR 750 million
allocation)

Key Challenges:

Delays in reforms

Drafting legislations, consultations,
costing reforms, law adoption, HR/capacity,
and flow-up actions lagging

Insufficient public info on EU acquis alignment

Lack of clarity and transparency
in legislative process

Procedural issues

Risk undermining predictability of
reform delivery

Insufficient consultation feedback

Limited information reduces
stakeholder involvement quality
